Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at **1-800-833-2364 (TTY: 711)**.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services that you routinely see a doctor. Visit **Humana.com/medicare** or call **1-800-833-2364 (TTY: 711)** to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid. This plan may enroll dual eligibles who are SLMB Plus, QMB Plus, and FBDE.

Let's talk about Humana Fully Integrated H1036-280 (HMO D-SNP)

Find out more about the Humana Fully Integrated H1036-280 (HMO D-SNP) plan - including the health and drug services it covers - in this easy-to-use guide.

Humana Fully Integrated H1036-280 (HMO D-SNP) is a Coordinated Care plan with a Medicare contract and a contract with the Florida Agency for Health Care Administration (AHCA) Medicaid Program. Enrollment in this Humana plan depends on contract renewal.

The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. For a complete list of services we cover, ask us for the "Evidence of Coverage".

As a member you must select an in-network doctor to act as your Primary Care Provider (PCP). Humana Fully Integrated H1036-280 (HMO D-SNP) has a network of doctors, hospitals, pharmacies and other providers. If you use providers who aren't in our network, the plan may not pay for these services. You have access to Care Managers. Care Managers are nurses or care coordinators who support your health and well-being by providing additional services including: acute and chronic-care management, telephonic and in-person health support; assistance in coordinating Medicare and Medicaid benefits, educational resources and workshops and support for families and caregivers.

To be eligible

To enroll in Humana Fully Integrated H1036-280 (HMO D-SNP), a Dual Eligible Special Needs Plan, you must be entitled to Medicare Part A and enrolled in Medicare Part B, live in our service area, receive certain levels of assistance from the Florida Agency for Health Care Administration (AHCA) Medicaid Program, and have Humana's Long-Term Care plan. If you receive both Medicare and Medicaid benefits, this means you are a dual eligible.

Humana Fully Integrated H1036-280 (HMO D-SNP) may enroll dual eligibles who are SLMB Plus, QMB Plus, and FBDE.
