This plan covers all services that Original Medicare covers and more. Please refer to the Evidence of Coverage (EOC) for a complete list and description of the services covered by the plan. You can find your plan's EOC on our website at www.HealthSun.com. If you want us to mail you a copy or if you have any other questions about our plan benefits, please call us at **1-877-336-2069 (TTY: 1-877-206-0500)**. Our hours of operations are 8am to 8pm. Who Can Enroll?

You can join this Plan as long as you are entitled to Medicare Part A and enrolled in Medicare Part B, and you live in **Miami-Dade County**.

What doctors, hospitals, and pharmacies can you use?

HealthSun has a network of doctors, hospitals, pharmacies, and other providers. You must access all plan-covered services through our network providers. If you use providers that are not in the plan's network, the plan may not pay for these services. Prior-authorization or a referral from your Primary Care Physician (PCP) may be required for you to receive medical services. You must generally use network pharmacies to fill your covered prescription drugs. Some of our network pharmacies have preferred cost sharing. You may pay less if you use these pharmacies. To find network providers and pharmacies near you, visit our website at www.HealthSun.com or call HealthSun Member Services for more information.

Know your drug plan

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website. Refer to the "Part D Prescription Drugs" section in this booklet for details on what you pay for covered drugs.

If you want to know more about the coverage and costs of Original Medicare, look in your 2021 "Medicare & You" handbook. You can find it online at www.medicare.gov or request a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day; 7 days a week. **TTY users should call 1-877-486-2048.**
